Welcome back to all our families. I hope you have had a lovely summer holiday.

It is wonderful to have all the children back in school and I am pleased to report that all are happy and enjoying being back with their friends.

I would like to thank you all for your cooperation with the staggered starts and finishes to the day. I have been really impressed with how sensible everyone has been which has ensured all children are able to arrive and leave school as safely as possible. Please could I remind you that parents and carers dropping off and collecting children need to ensure they are social distancing. At drop off please could Squirrel and Badger parents walk their own child across the road to the gate. At collection, when you have received your child please move away promptly to avoid pedestrian congestion.

We have put a lot of systems in place to make sure the school is as safe as possible and would like to congratulate our children for the sensible way they are dealing with the additional handwashing and keeping our bubbles separate.

Welcome Mrs Gray

As I mentioned in my last newsletter, we have welcomed Mrs Gray to work the hours that Ms MacPherson covered last year. Mrs Gray will be working in Oak Class on Tuesday mornings, in Badger Class Tuesday afternoons and Wednesday mornings. We have yet to hear any news on Baby MacPherson but will let you know as soon as we do.

Clubs

Clubs will look slightly different this year, we are keen to offer some after school clubs as we know that the children thoroughly enjoy them. Look out for the clubs letter that will be coming home by the end of the week.

Conkers Breakfast and After School Club

We are delighted that Sue and her team at Conkers have been able to offer before and after school care for the children, please ensure that you drop and pick up the children from School Lane entrance. Conkers can only accept pre booked places. Please contact Sue on 01953 605551 if you are interested in booking a place.

Thank you

Thank you goes to Matt Cater whose company has very generously donated a freestanding handwashing station to the school which can be used outside and will help the children to maintain high levels of hygiene. This will be situated in the playground to give the children additional handwashing facilities.
